They are inhabited by infinite characters - think a highly evolved schizophrenic capable of wild transformation, depending on what the circumstances require. They refer to their varying selves as 'WE' when offering opinions, and battle internally good and evil. There is a physical element to this internal debate between the two characters - find the actions and vocalism to suggest them! MAKE SURE TO SLATE YOUR NAME

**CRELLUS**

WE truly are a remarkable Beast! Do WE even know why WE're doing this, sweetheart?

**CRIZZT**

Remarkable indeed! WE DO have a heart, of sorts, and WE won't let these people die in hell.

**CRELLUS**

(laughs)Wrong! No, No, No WE'VE no heart and WE'RE certainly not doing this for their benefit! HA! WE'RE doing it for their affection, their approval.

**CRIZZT**

Please! WE don't need their approval.

**CRELLUS**

WE'RE insane. WE try so hard! WE'RE adorable! But they will never love US. Ever.

**CRIZZT**

Ah, is that how WE play it? So WE should just let US devour them?

**CRELLUS**

Convince US! Stop US! Save their pathetic lives and what - WE think they'll throw a parade in OUR honor? ...finally welcome US into the warmth of their hearths? No. They won't even let US past the city gates! WE'RE the hero. But deliver them from the acid pits of Mrostown itself and still they'll hide their children when they see US coming. To them, WE'LL forever be that vile, filthy prow.

**CRIZZT**

Yes however, forever WE will fight for them.

**CRELLUS**

(put out)

Hells Fire, WE'RE dense. Come on then, hero. Let's see how hard WE have to squeeze that skull before OUR pretty eyes pop out.

**CRIZZT**

Ohhh, WE quake in fear (Laughs)
